

Christopher Novo

Objective

To refine my expertise in web development, vector graphic creation, typography and user experience innovation.

Education

- **Bachelor of Design in Visual Communication Design**
Eastern Washington University | Expected Graduation: 2026
Currently enrolled, developing expertise in graphic design, typography, web design, and user experience design.
- **High School Diploma** Cheney High School, Cheney WA | 2018 - 2022

Experience

Currently seeking opportunities to apply my skills and knowledge in real-world settings. While I do not have formal work experience, I have developed valuable skills through my education, personal projects, and collaboration with peers.

Projects

- **Personal Portfolio** (<https://personal-portfolio-cn.my.canva.site/>): Designed and developed a portfolio website to showcase my work in visual communication and web design.
- **Interactive Children's Book**
(<https://www.figma.com/proto/sEi85tm9IOpOKekdPp4x0f/UX-2--Project--3--Children-s-Experience?node-id=136-105&starting-point-node-id=136%3A105&t=CWyJZZI6O5Nb2GNf-1>): Created an engaging and interactive book design using Figma, demonstrating skills in storytelling, user experience design, and prototyping.

- **Sonic Google Doodle** (<https://sonic-google-doodle.netlify.app/>): Developed a creative animation inspired by Sonic the Hedgehog using HTML, CSS, and JavaScript, showcasing proficiency in coding and animation techniques.

Skills

- **Web Development:** Proficient in HTML, CSS, JavaScript, and responsive design techniques.
- **Vector Graphics Design:** Experienced in creating illustrations and designs using Adobe products like Illustrator and Photoshop.
- **User Experience Design:** Skilled in crafting intuitive and engaging user interfaces with Figma, focusing on accessibility and user needs.

Certifications

- **Responsive Web Design Certificate**
(<https://www.freecodecamp.org/certification/chrisnovo1/responsive-web-design>)
FreeCodeCamp | Earned 2025 Demonstrated proficiency in HTML, CSS, and JavaScript by completing comprehensive projects and coursework.
