Christopher Novo

Objective

To refine my expertise in web development, vector graphic creation, typography and user experience innovation.

Education

- **Bachelor of Design in Visual Communication Design**
  Eastern Washington University | Expected Graduation: 2026
  Currently enrolled, developing expertise in graphic design, typography, web design, and user experience design.

- **High School Diploma** Cheney High School, Cheney WA | 2018 - 2022

Experience

Currently seeking opportunities to apply my skills and knowledge in real-world settings. While I do not have formal work experience, I have developed valuable skills through my education, personal projects, and collaboration with peers.

Projects

- **Personal Portfolio**: Designed and developed a portfolio website to showcase my work in visual communication and web design.
- **Interactive Children's Book**: Created an engaging and interactive book design using Figma, demonstrating skills in storytelling, user experience design, and prototyping.
- **Sonic Google Doodle**: Developed a creative animation inspired by Sonic the Hedgehog using HTML, CSS, and JavaScript, showcasing proficiency in coding and animation techniques.

Skills

- **Web Development**: Proficient in HTML, CSS, JavaScript, and responsive design techniques.
- **Vector Graphics Design**: Experienced in creating illustrations and designs using Adobe products like Illustrator and Photoshop.
- **User Experience Design**: Skilled in crafting intuitive and engaging user interfaces with Figma, focusing on accessibility and user needs.

Certifications

- **Responsive Web Design Certificate**
  FreeCodeCamp | Earned 2025 Demonstrated proficiency in HTML, CSS, and JavaScript by completing comprehensive projects and coursework.
